PROFILE QUESTIONNAIRE INSTRUCTIONS:

The Spiritual Gifts Profile Questionnaire and Spiritual Gifts Inventory Sheet are intended to help you discover your spiritual gift or gifts. It is not all inclusive. Only as you begin to serve the Lord in various ways will you be certain of your gift. Most of you have been using your spiritual gift and calling it something else. Your gift will be affirmed as you use it to help build up the body of Christ.

As you read each statement in the questionnaire ask yourself, "How is this true in my Life?" Be Honest! There are not right or wrong answers.

If the characteristic is "never" true in your life, put a "0" in the box at the right of the statement. If the characteristic is "seldom" (less than 50% of the time) true in your life, put a "1" in the box. If the characteristic is "often" (more than 50% of the time but not always) true in your life, put a "2" in the corresponding box. A score of 10 or higher in any gift area may indicate that you have that gift. Only serving in that area will reveal it for certain. You will find out more about your spiritual gift as you serve in those areas. Some people will have strong gift mixtures.

If you did not score a 10 or above in any area, it could be because you have not had enough experience in the various gift areas. Get more involved in your church to find the gift area which brings you joy and the Lord's blessing. This will help you determine your Spiritual gift or gifts.
