

Changing Lives. Making a Difference.

We Believe That Giving Is An Act of Worship!

Brown Missionary Baptist Church believes that giving is not an issue of money, but rather an issue of FAITH (Malachi 3:10) and of the HEART (Matthew 6:21). Through faithful giving, we are able to achieve our mission of Changing Lives and Making a Difference!

WHERE DOES MY GIFT GO?

Your gift is make a difference and changing lives in communities all over Mid-South and around the world. When you give Tithes and Offering, you are giving toward the general operating expenses and ministries of all campuses of BMBC.

Your gift is supporting our mission partners locally, nationally, and internationally through the Hope for the World Missions Offering. These funds are also used to minister to BMBC members and other Mid-South residents in need of financial assistance.
